

The main services that we can provide you in this matter are:

1 Response to tax credits determined by the Tax Authority

2 Analysis of the authorities' requests, audit reports and notification-decisions, and their relevancy to the case

3 Contestation of refusals from Tax Authority

4 Contestation of Tax Laws or Acts of Authority, in execution of those deemed unconstitutional

5 Consulting and representation before the Fiscal Authority, in audit processes (on-site or remote revisions)

6 Contestation of Antidumping Duties established by the Ministry of Economy, applicable to the import of certain goods into Mexican territory.

7 Participation in Administrative Procedures, including response to related rulings, whether it involves a Tax Debt and/or Assets Seizure.
